YARN : YarnArt Nifty Fur Joy 3302 - 6 pcs

NEEDLES : 5 mm circular needles

SIZE : S

We will begin our garment with the back, then continue by knitting the right and left front pieces and the sleeves according to Diagram 1.

For the back piece, cast on 55 stitches and knit for 55 cm. The entire garment will be worked in stockinette stitch throughout. In other words, work 1 purl row (P), followed by 1 knit row (K).

For the front pieces, cast on 28 stitches for each of the right and left fronts. Work in stockinette stitch to the measurements shown in Diagram 1, shaping the neckline and armholes by binding off stitches. Then sew the front pieces to the back piece at the shoulders and along the sides, leaving openings for the sleeves.

For the sleeves, using circular needles, pick up 32 stitches around the armhole openings left during seaming. Knit in the round for 28 cm without making any increases or decreases.

Then continue by increasing 1 stitch every 5 stitches. Work a total of 5 rows in this manner, increasing 1 stitch every 5 stitches throughout each row. Afterwards, work for 10 cm without making any further increases, except for increasing 1 stitch each at the front and back edges. The sleeve will be completed at a total length of 18 cm.

The knitting of our garment is complete.

Enjoy wearing it.
