YARN : YarnArt Moonlight 3282 - 2 balls

NEEDLES : 3,5 mm

BUTTONS : S

SIZE : 6 transparent buttons

The garment is worked in one piece as a large shawl, which is then folded in half to form the poncho. We will use a leaf pattern consisting of a 16-stitch repeat. For the poncho, work the 16-stitch pattern, repeat 21 times and add 2 edge stitches, one at each end.

Only the odd-numbered right-side rows are shown for the leaf pattern. On the wrong-side rows, work the stitches as they appear.

The pattern is worked as follows:

Chart 2

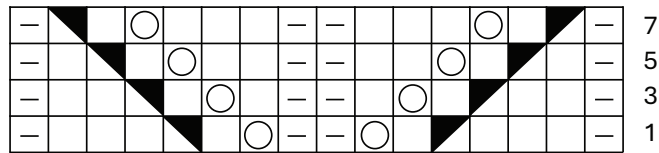

Cast on enough stitches to work 21 pattern repeats (200 cm) and repeat the pattern 25 times (80 cm). Begin the shawl with light pink and finish with light pink as well.

Then fold the shawl in half and, using a 3.5 mm crochet hook, work 1 row of mesh stitch (1 double crochet + chain 1).

Place these edges together, leaving a 30 cm opening for the neckline. Sew the buttons along the shoulder, positioning one at the beginning of each row, to complete the poncho.

Happy Knitting!
